Lesson 3: Project: Pattern Art Gallery

Module 1 | 50 minutes | Project: pattern art | Grades 3–5 · ages 8–10

Name: _____ Class: _____ Date: _____

Your mission
Build an interactive art gallery: at least two artist sprites, each drawing a different pattern when clicked — one with a nested loop, one with a growing variable — using colours chosen on purpose.

Checklist

- [ ] 2+ artist sprites
- [ ] Click draws a pattern
- [ ] A nested-loop pattern
- [ ] A growing-variable pattern
- [ ] Colours chosen on purpose

Milestones

1. Artists added — done on: _____
2. Nested-loop pattern working — done on: _____
3. Variable pattern working — done on: _____
4. Colours and welcome — done on: _____
5. Tested, reflected, submitted — done on: _____

Plan it

Sketch your stage and write what each sprite will do.

How it will be marked

Criterion	1 · Beginning	2 · Developing	3 · Secure	4 · Excellent
Nested loops	Missing	Inner loop works; outer repeat missing or misplaced	Correct nested loop draws a repeated shape	Nested loops used creatively (e.g. three levels, varied shapes)
Variables	No variable used	Variable made but not used in a block	Variable set, changed and used to grow a pattern	Variables control several parameters (size, angle, colour)
Events	Only the flag	One click works	Each artist responds to a click	Extra controls (keys) or a welcome screen
Design	Unplanned	Some colour choices	Attractive, clear gallery	Striking, intentional art
Reflection	Missing	Brief	Explains the effect of a change	Explains several experiments and choices

Want more?

- An artist that uses both a nested loop and a growing variable
- Keys that change the pen colour
- A slideshow that draws each pattern in turn

Two stars and a wish

Ask a friend to test your project.
