LESSON PLAN · SCRATCH JUNIOR (K–2) ADVANCED: GAME BUILDERS

Lesson 12: Capstone: My First Game

Module 4 | 60 minutes | Capstone project | KG–Grade 2 · ages 6–7

Objective: Design, build, test and present a ScratchJr game with a start, player interaction, a bump rule and a win message.

Success criteria

- My game has controls, rules and a win.
- Testers played it.
- I presented it.

Key vocabulary

- **game plan**: A drawing of how the game works.
- **controls**: How the player makes things happen.
- **present**: Show and explain.

You will need

- Projector with Kitabash (lesson video, Code Lab)
- Devices: 1 per learner or pair
- Printed worksheet (optional)
- Printed project brief

Timed lesson plan (60 min)

Time	Stage	What happens
5 min	**Session 1 · Plan**	Draw the game plan.
20 min	**Session 1 · Build**	Characters and controls.
5 min	**Session 1 · Save**	Save; tell a partner the next step.
15 min	**Session 2 · Rules and testing**	Bump rules, win message, two testers.
15 min	**Session 2 · Present**	Game showcase.

Unplugged warm-up

Game pitch (5 min): explain your game idea to a partner.

Teaching the idea

Capstone integrates events (flag, tap, bump, messages), loops, looks, scoring and testing into an original game. Assess with checklist, observation and presentation.

Analogy: Inventing a playground game and teaching it to friends.

Live demo: Show a small finished game and its plan.

Questions to ask

Ask	Listen for
How do you play?	Explain.
What are the rules?	Bumps and win.
What did testers say?	Feedback.

Differentiation

Support
Remix the Gem Collector project.

Stretch
Two levels on two pages.

Common misconceptions

Misconception	How to fix it
A game needs lots of characters	A small, working game is great.

Assessment

Project rubric (also on the project brief):

Criterion	1 · Beginning	2 · Developing	3 · Secure	4 · Excellent
Game design	Not yet	Some parts	Controls, rules and a win	Original and fun
Coding	Not yet	One event type	Tap and bump events work	Uses loops, looks and messages too
Testing	Not tested	One tester	Two testers; fixed a bug	Explains changes from testing
Presenting	Not yet	Showed it	Explained how to play	Explained and answered questions

Exit ticket
One rule in your game.

Homework
Teach your game to someone at home.

Answer key — Kitabash activities

1. Final level (perform · block code)

One solution:

2. My First Game (probe · project)

Answer key — worksheet

1. **Key words:** game plan = A drawing of how the game works. · controls = How the player makes things happen. · present = Show and explain.
2. **My plan:** A clear plan that covers every requirement.
3. **Checklist:** All requirements met.
4. **Two stars and a wish:** Kind, specific feedback and an improvement.
