LESSON PLAN · SCRATCH JUNIOR (K–2) BEGINNER: LITTLE CODERS

Lesson 6: Project: Dance Party

Module 2 | 35 minutes | Project: loops and events | KG–Grade 2 · ages 5–7

Objective: Make characters dance with repeating moves started by the green flag, and share the dance.

Success criteria

- My dancers start with the green flag.
- I used a repeat block.
- I shared my dance.

Key vocabulary

- **dance move**: A short pattern of moves.
- **together**: At the same time.
- **sound**: A noise your character makes.

You will need

- Projector with Kitabash (lesson video, Code Lab)
- Devices: 1 per learner or pair
- Printed worksheet (optional)
- Printed project brief

Timed lesson plan (35 min)

Time	Stage	What happens
5 min	**Warm-up (unplugged)**	Freeze dance (5 min): repeat a 3-move dance 4 times together.
5 min	**Watch & plan**	Play the project video; learners plan on the project brief.
10 min	**Build**	Build-along steps, then Hop dance. Check in halfway: everyone has something working.
7 min	**Test & peer feedback**	Swap and test each other's work: two stars and a wish.
8 min	**Improve & submit**	Improve one thing; My Dance Party.

Unplugged warm-up

Freeze dance (5 min): repeat a 3-move dance 4 times together.

Teaching the idea

Combines events (green flag) and loops (repeat) for multiple characters running in parallel. Children design a movement pattern and repeat it.

Analogy: A dance class: everyone starts on “5, 6, 7, 8!” and repeats the steps.

Live demo: Show two dancers with the same repeat; press the flag.

Questions to ask

Ask	Listen for
What is your dance pattern?	E.g. up, down, right.
How many times does it repeat?	The repeat number.
Do your dancers start together?	Yes, with the flag.

Differentiation

Support
Give a dance card (up, down, up, down) to copy.

Stretch
Make each dancer do a different dance.

Common misconceptions

Misconception	How to fix it
Only one character can use the flag	Every character can.
Repeat repeats the whole program	Only what is inside it.

Assessment

Project rubric (also on the project brief):

Criterion	1 · Beginning	2 · Developing	3 · Secure	4 · Excellent
Loops	Not yet	Repeat with help	Repeat used for a pattern	Different repeats for different dancers
Events	Not yet	One dancer starts	All dancers start with the flag	Extra start (e.g. tap a dancer)
Sharing	Not shared	Shared with help	Shared and explained	Explained and helped a friend

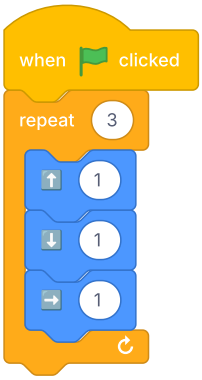

Exit ticket
Show me your repeat block.

Homework
Teach your dance pattern to someone at home.
